Coastal Papers

Whimsical nautical patterns are paired with archival florals and classic stripes for a sophisticated expression of maritime life. Finding inspiration in the natural beauty of the rugged coastline, this wallcovering collection brings together elegant whites, airy creams, soft blues, and rich indigos.

Archival Florals

This collection captures all those florals that we associate with this brand. The vintage feel of Wainscott Floral, the grandness of Heathersage Floral, the casual beauty of Pillar Point Floral and exciting “new” florals such as the vivid Missouri Floral, a collection with so much to offer. We have added a variety of stripes to this collection that co-ordinates beautifully with the range.
