SAUM & VIEBAHN

éternité

éternité

Shape.
Function.
Timelessness.

As the name suggests, „éternité“ comes from the French and means eternity - the new collection line enriches the Saum & Viebahn range in the high-end segment. The collection includes fabrics in splendid colours and an extravagant design language, but at the same time lives from the understatement of the finest materials. From simple lines to complex motifs, geometry is used to combine aesthetics and function.

Let yourself be mesmerised by this breathtaking collection line!

TANSANIA

BASILICA

Individual charme

In the world of design, creative people often strive to embody eternity. For an aesthetic, that outlasts the changing times.

Timelessness is the core that makes every design a masterpiece.

SAFARI

SILLA

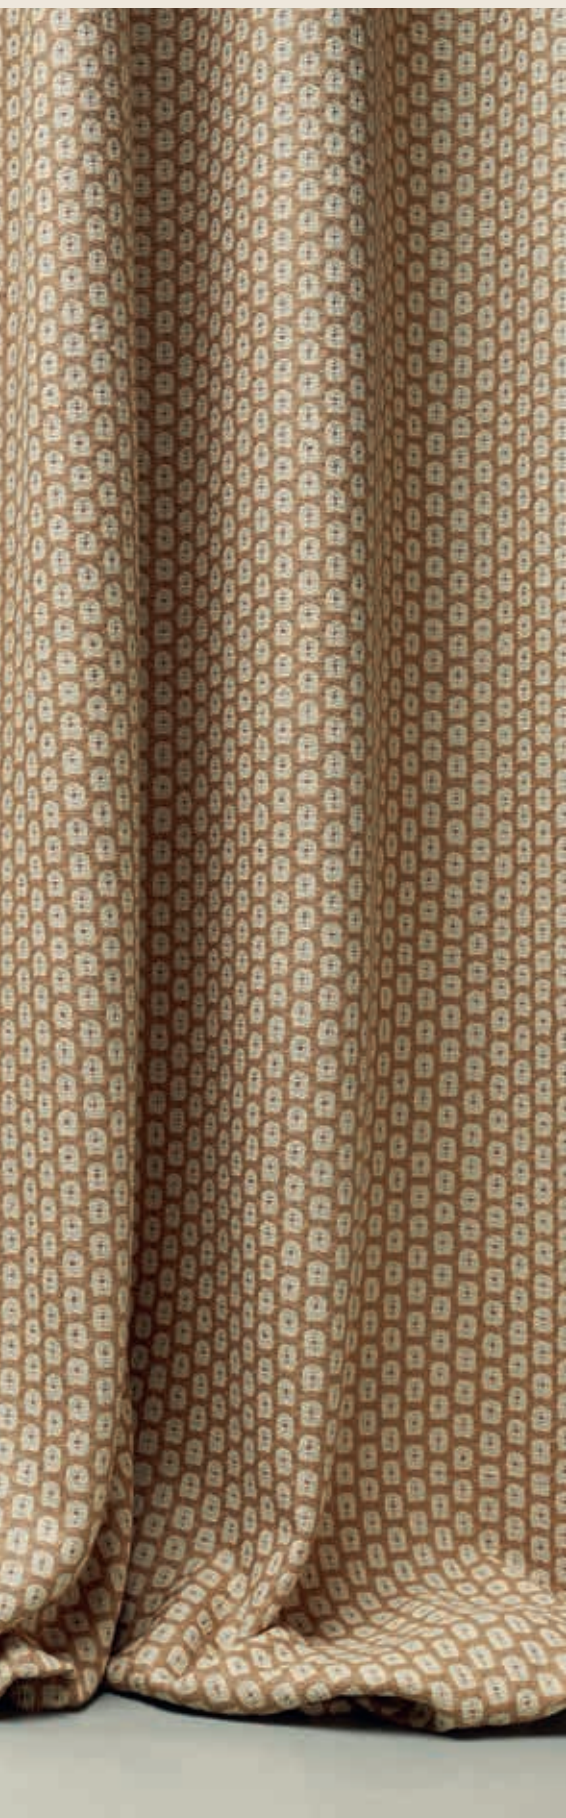

Refined elegance meets naturalness. Natural fibres reveal their individual charm and create a gentle lightness in the room. Soft and flowing, the textile creations invite you to touch and look.

TARA

Luxurious simplicity

Fantastic haptics, unusual surfaces and natural materials demonstrate the diversity of *éternité*. The geometry creates visual interest and balance through the skilful arrangement of shapes and surfaces. Attention to detail creates timeless elegance for high quality interior design.

Admire textile masterpieces

Expressive and extravagant, architecture becomes a source of inspiration for textile creations. High-quality linen blends present embroidery at its best, radiating joie de vivre and positive energy. With a touch of opulence, the textiles gracefully bring their elegance into the room.
